

WE ARE OFFERING A NEW SERVICE
Chronic Care Management

Our nurses are here to help you manage your care

This Program Provides You With:

- Your own phone-based nurse care manager
- Direct answers to your medical questions
- Better coordination of care among all your providers
- Help navigating the healthcare system
- Medication advice
- Assistance with symptom management

Program Goals

- Help you achieve health and wellness goals
- Help keep you healthy, independent and out of the hospital
- Educate you on your health conditions and how to best manage them

How do I enroll?

 **Our Nurse Will Call You By Phone If You Qualify**

Or reach out to our enrollment specialists for more information

[\(503\) 200-5330](tel:5032005330)

What are the Costs?

- Your insurance will be billed.
- Services are subject to deductible and coinsurance.
- This service is voluntary and you may opt out at any time.

Why is preventive care important?

Seven out of ten U.S. deaths are caused by chronic diseases.*

Half of the U.S. population lives with a chronic disease, many of which are preventable.

*According to the CDC

Preventive services that we offer include:

- ✓ Blood pressure screening
- ✓ Comprehensive blood work
- ✓ Preventative cancer screening
- ✓ Vaccinations
- ✓ Counseling and advocating healthy lifestyle (Weight loss, mental health, smoking cessation, etc.)
